Payment of School Fee

Appeal

Dear Parents/Guardian,

Due to Covid-19 pandemic, our country is passing through a difficult time. It has badly affected all the systems of the country including education.

In a difficult time when classroom education was not possible, our school has been conducting online classes very effectively to ensure that our students do not suffer academically.

To continue online classes with advance technologies, we need technological upgradation, support and services for online education as well as the teachers training. In addition to that we have to arrange the necessary fund for payment of salary to our teaching and non-teaching staff.

To fulfill all the above obligations, we need your support by paying the school fee of your ward for the months of April, May and June – 2020. You have the option to pay it month wise also. No late fine is being charged.

For online payment, kindly visit our school website www.bokaropublicschool.org

Your co-operation and support will be highly appreciated.

Thanking you,

Principal/Director
Bokaro Public School
